

Professional Geomancy course

Master Ricky Chua is one of the renowned Geomancy Master in Singapore and he has been providing professional services for more than twenty years. Besides providing services to his clients, Master Chua also conducted geomancy lesson to impart this ancient art to many people from all walks of life including working professional, government officers, businessman, and sale manager. There are also people who came all the way from overseas just to attend Master Chua's geomancy lesson.

The geomancy lessons are divided into three levels: Basic, Advanced and Professional. Beside conducting the lesson in theory, Master Chua also make in a point to bring his student out with him for field trip whenever he visit his client's premises to provide geomancy consultation. This allows the student to gain hand on experience during the field trip and to out their learning into practical. Most of Master Chua's student upon their graduation become a professional geomancer or applied the knowledge which they acquired to make their life better.
